“Assisted Living through a continuum of holistic care.”

Welcome to our newest employee:

Laurie Kluck, RN

Laurie comes to us from Lasata in Ozaukee County where she has been an RN for the past 25 years. There, she was a floor nurse, float, supervisor and helped in the assisted living facility. Laurie has been married for 34 years, has two boys and seven grandchildren. Her passions are loving the Lord, fishing, hunting and spending time with her grandchildren. Laurie takes a mission trip to Oaxaca, Mexico every year to help out with nursing at a Christian run orphanage. (reachingthefamily.org) Laurie will be working in our memory care building part time. Please stop in and say hi to Laurie when you can!

Gables looks forward to spending time with Laurie Lundgren Biermann and her group of 7th graders from Random Lake Middle School. We are getting together every Tuesday morning for games, crafts, community service projects and fun!

Gables New Community Service Project: Mercy Mats for the Homeless

Mercy mats are sleeping mats for the homeless created from recycled plastic grocery bags. One mat is 3' x 6' and takes 500-700 bags to complete. The bags are flattened, cut, joined together and crocheted. Mercy Mats provide comfort and protection from the ground.

We need your plastic grocery bags!

Please drop off your plastic grocery bags in the activity office!

Thank you for your help!
