Gables on the Pond is a family-run, locally owned Community Based Residential Facility (CBRF), located in a small town setting in Southern Sheboygan County. The homes have both single and double apartments equipped with all the features to meet the special needs of your loved one.

We invite our residents to decorate their apartments with their own furnishings to create a familiar home-like atmosphere. Our residents can enjoy our large living area with fireplace or relax on our spacious patio with gardens.

We also offer beauty and barber shop services for your convenience.

We put a strong emphasis on wellness and healthy living for all of our residents. Our residents enjoy a caring environment with three meals daily in a beautiful dining facility. They also enjoy opportunities to participate in social, recreational and spiritual activities.
